SECOND REQUEST FOR WITHDRAWAL OF HOLDING OF ABANDONMENT
NO ABANDONMENT IN FACT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with MPEP §711.03 and further to a similar Request filed on February 6, 2003, Applicant respectfully requests withdrawal of the holding of abandonment insofar as there was no abandonment in fact. A Notice of Abandonment issued March 24, 2003. The facts underlying this request are as follows:

On July 23, 2002, a Response to Restriction Requirement was filed in response to the Office Action mailed on June 27, 2002 (Paper No. 4). Unfortunately, the Response and its Transmittal Letter contained a clerical error in the Application Number in the caption. All other identification data was correct.

Applicants submit herewith copies of the papers filed on July 23, 2002, with a handwritten correction to the Application number, together with a postcard date-stamped by the U.S. Patent and Trademark Office acknowledging receipt of same. This postcard establishes *prima facie* evidence that the papers were in fact timely filed. See §MPEP 503.
